Types of OER

Which of the following types of OER have you used for teaching? N=1473

A smaller number of respondents (N=845) were asked about their use of lesson plans (36.2%), data sets (16.1%) and learning tools, instruments & software plugins (36%).

Subjects

In which subject(s) do you normally use OER? N=983

Impact of OER use on teaching

To what extent do you agree with the following statements about the impact on your teaching practice of your using OER? N=977

Strongly agree Agree Neither/nor Disagree Strongly disagree

I have broadened my coverage of the curriculum

I use a broader range of teaching and learning methods

I have improved my skills in information and communication technologies

I make use of a wider range of multimedia

I make more use of culturally diverse resources

I have more up-to-date knowledge of my subject area

I reflect more on the way that I teach

I more frequently compare my own teaching with others'

OER allow me to better accommodate diverse learner needs

I collaborate more with colleagues

Impact of OER use on learning

To what extent do you agree with the following statements about the impact of using OER on students?
N=868

Strongly agree Agree Neither/nor Disagree Strongly disagree

Use of OER increases learners' participation in class discussions

Use of OER increases learners' interest in the subjects taught

Use of OER increases learners' satisfaction with the learning experience

Use of OER leads to improved student grades

Use of OER builds learners' confidence

Use of OER develops learners' independence and self-reliance

Use of OER increases learners' engagement with lesson content

Use of OER increases learners' experimentation with new ways of learning

Use of OER increases collaboration and/or peer-support amongst learners

Use of OER increases learners' enthusiasm for future study

Purpose of using OER

For which of the following purposes have you used OER in the context of your teaching? N=1611

Educators use OER to broaden their teaching methods and the range of resources available to their students

Selecting OER

Which of the following factors would make you more likely to select a particular resource when searching for open educational content? N=987

Relevance, reputation and clear learning objectives guide educators' selection of open content

Challenges

Which challenges, if any, do you most often face in using OER? N=997

Open content needs to be relevant, high-quality and discoverable for educators to adopt OER
